

# DIFFERENCE, POWER, AND OPPRESSION PROGRAM

# Difference, Power, and Oppression Model

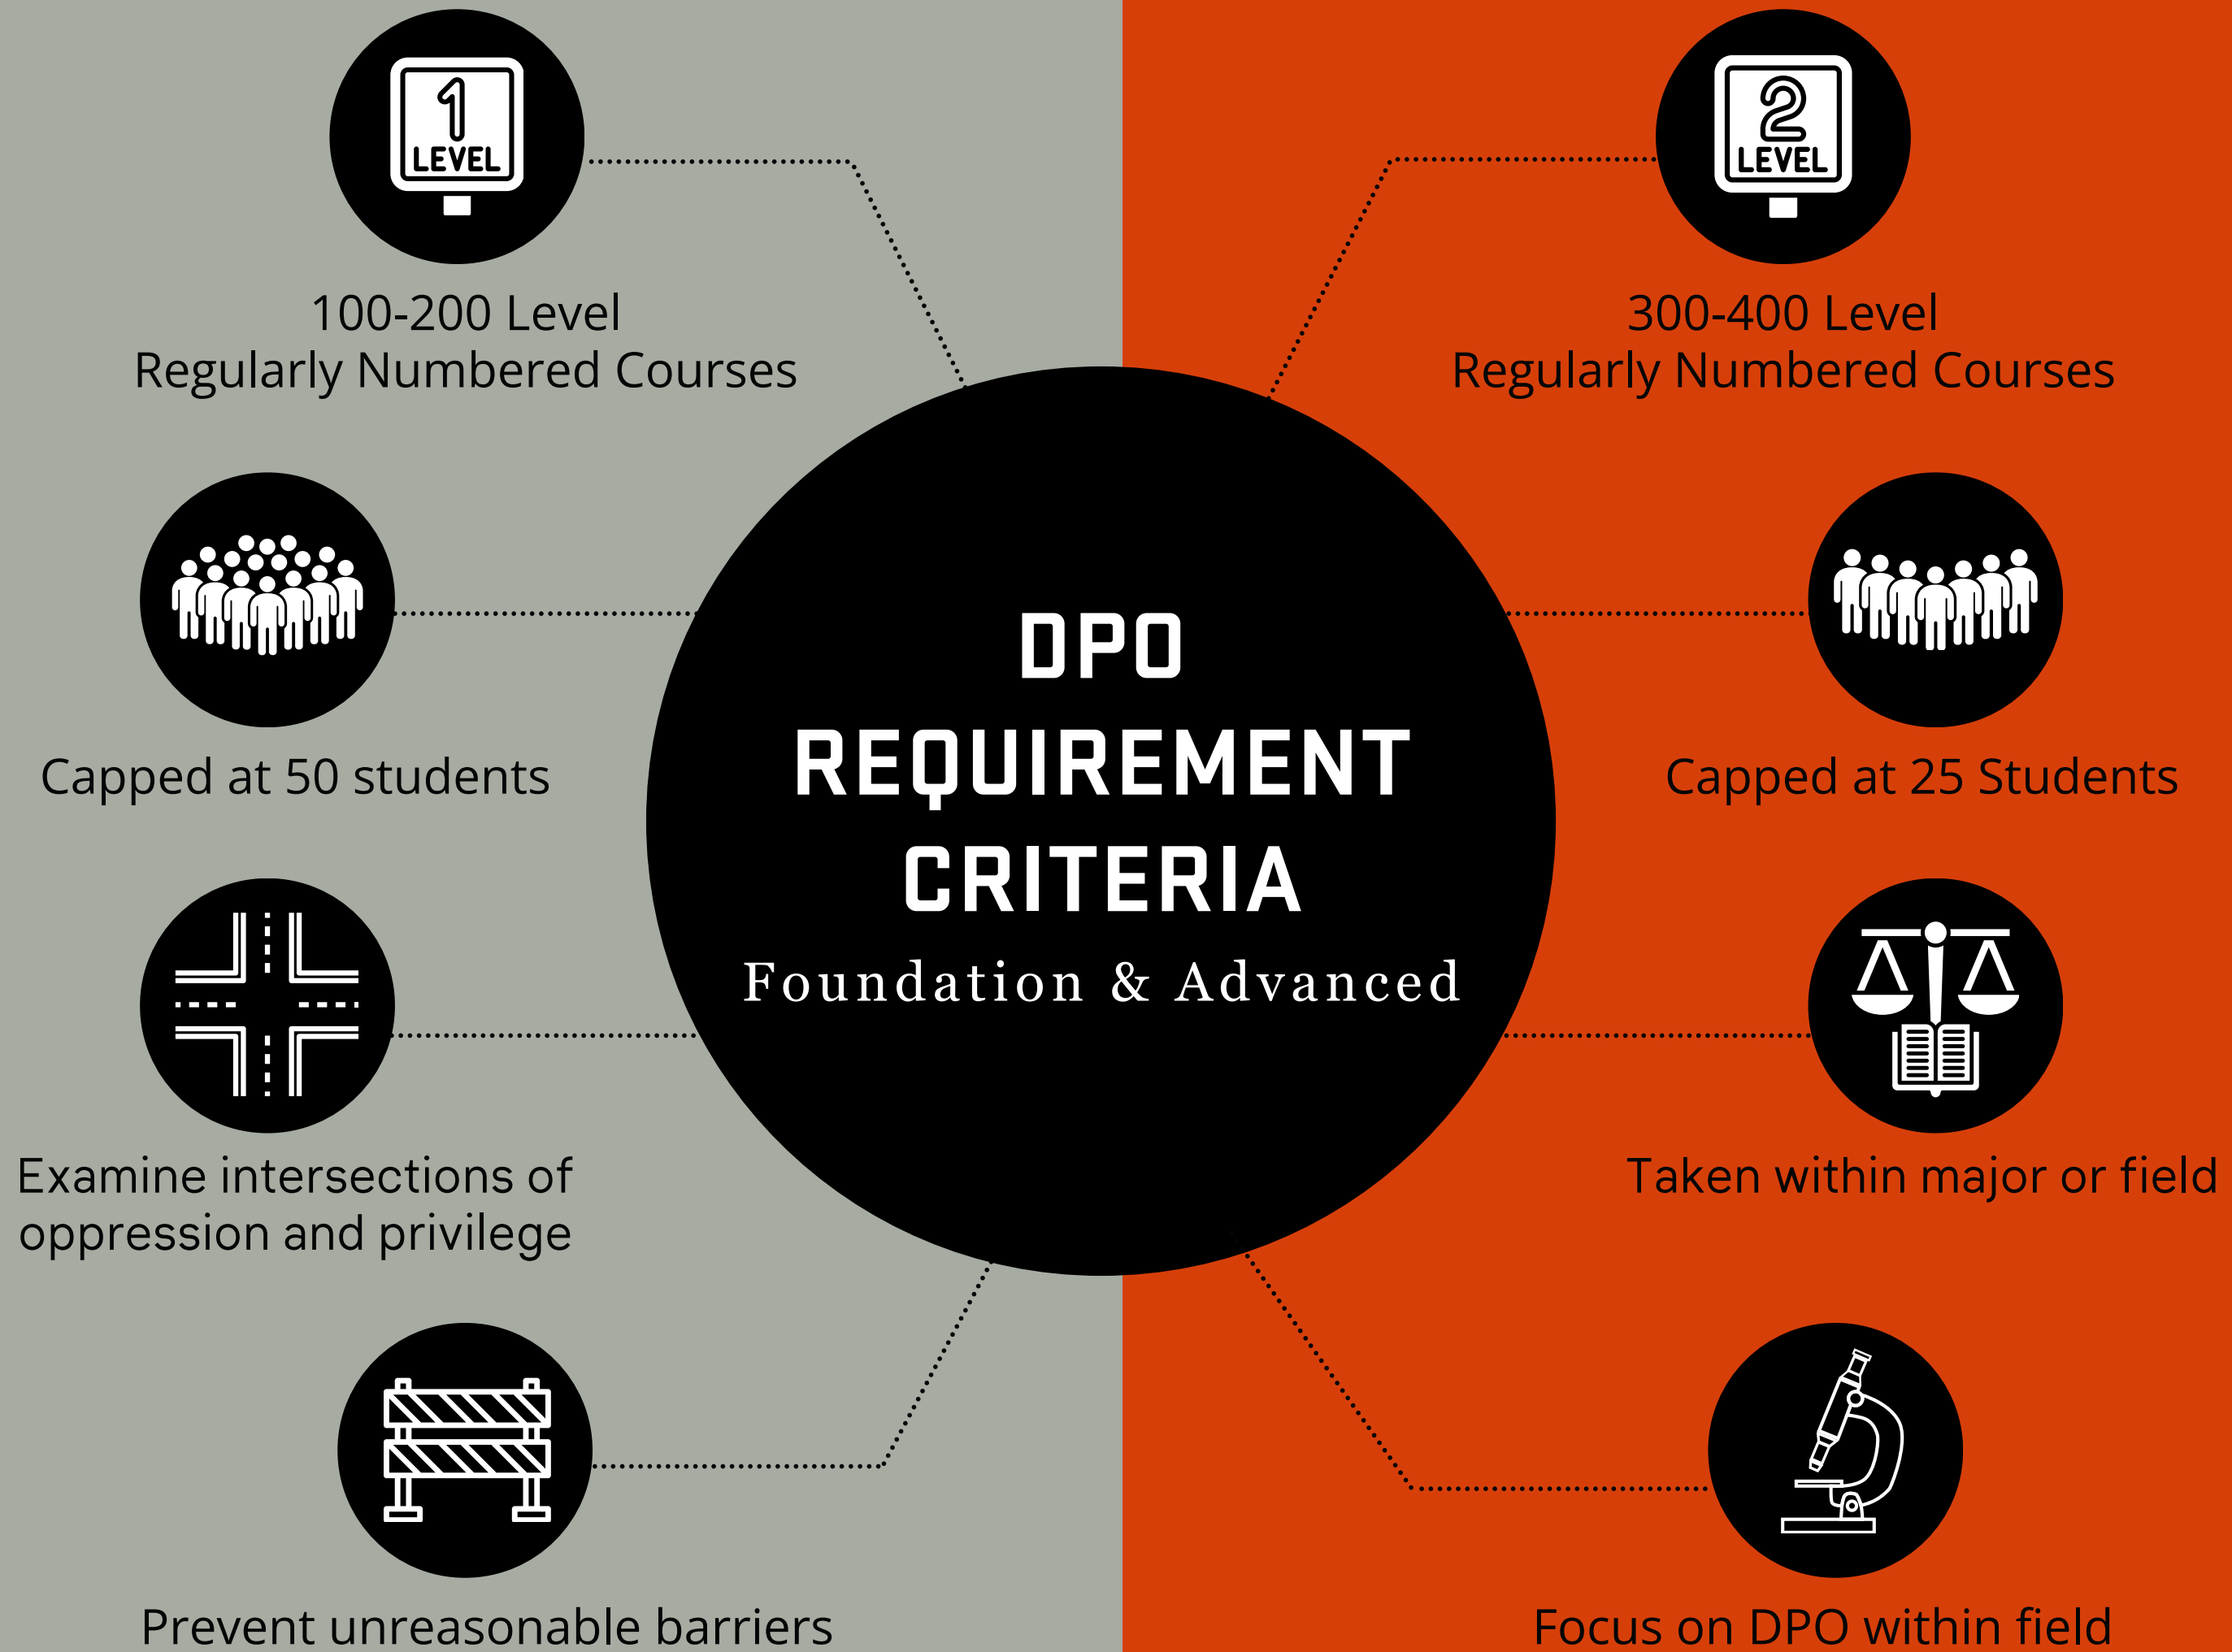

**Knowing Our  
Students**

**Knowing Our  
Selves**

**How We  
Teach**

**What We  
Teach**

# DPO Foundations Learning Outcomes

Explain how ascribed differences are socially constructed

Articulate how the unequal distribution of power results in racism and other forms of systemic oppression

Describe how assets and resilience of communities contribute to dismantling systems of oppression

# DPO Advanced Learning Outcomes

Analyze how systemic oppression operates and how it positions those in your field

Use sj theories to emphasize how racism and systems of oppression are contemporarily experienced (10 years)

Compare approaches for dismantling systems of oppression from within your field of study
